ALUCIA BUNDLE
Akasa ALUCIA H4 Plus
Premium Dual Fan CPU
Cooler Bundle
For Intel & AMD Systems

- Sleek all-black heatsink with dual fan setup
- Refined heatsink design
- Easy installation & wide compatibility
- Memory compatibility
- Included ultra-performance thermal paste
- Designed for CPUs with a maximum TDP of 210W
- Compatible with LGA1851, LGA1700, AM5 and AM4

Product Code: AK-CC4021KT01

ALUCIA H6LS M2
Premium Ultra Low-Profile
6-Heatpipe Cooler
For Intel & AMD Systems

- Elegant black heatsink and Photic Blue Edition fan
- Ultra low-profile at 67.2mm height
- 36% cooler than previous generation, with an improved TDP of 150W
- Secure and easy mounting
- Optimal footprint for ideal memory compatibility
- Advanced Hydro Dynamic Bearing for increased fan life
- Compatible with LGA1851, LGA1700, AM5 and AM4

Product Code: AK-CC4030HP01

ALUCIA SM12
Premium Silent Cooling -
120mm x 30mm

- Silent cooling
- Upgraded blade design
- Silent operation with anti-vibration padding
- Intelligent fan performance
- Two ball bearing
